**Universal Service Administrative Company
Board of Directors Meeting**

ACTION ITEM

**Approval of Reporting Requirements for Companies Involved in the
Transfer and/or Sale of Assets**

Issue:

Board approval of reporting requirements for the FCC contribution reports for companies involved in the transfer and/or sale of assets.

Background – Analysis – Justification:

Commission rules require carriers that contribute to the Universal Service Fund to file semi-annual worksheets reporting on their revenue from the prior period. The requirement to file a worksheet is determined by whether the carrier is providing interstate telecommunications services to the public on the date of the filing. In order to formalize the policy and procedures to implement the FCC rules, the Board is asked to review and adopt procedures for companies involved in the transfer and/or sale of assets.

Proposed Requirements for Filing Forms:

(Assumes revenue for reporting period is *not de minimis*.)

- 1) If a company is dissolved at the filing date, even though it may have generated revenue during the time period being reported on the filing due date, the company is not required to complete a form, and therefore the company does not incur contribution liabilities in the future.

Example: a company dissolves on 2/1/99; the filing due date for revenue generated January – December 1998 is due April 1, 1999; therefore, the company is not required to file and will not incur any USF obligations for 3Q99 and 4Q99. This company will also not need to file on September 1, 1999. This procedure reinforces the fact that a current liability exists, regardless of the method by which that liability is calculated.

Question Presented: If a company is dissolved on 2/1/99 and USAC is currently billing this company, then when does the company's liability end? Is it at the end of the 1Q99, or at the end of invoices utilizing the last form the company filed (i.e., June 1999- 2Q99)?

Answer: a company facing this situation must complete the entire quarter's invoices that include the dissolution date, which in this example includes January, February, and March 1999. This supports a quarterly funding obligation tied to a quarterly rate.

- 2) If a company is no longer providing interstate telecommunications services at the filing date, but provides intrastate and/ or international only or provides other non-telecommunications services, the company does not need to report the telecommunications revenue it generated during the time period reported on the filing due date.

Example: A company no longer provides interstate telecommunications after 2/1/99; the filing due date for revenue generated January -- December 1998 is April 1, 1999; therefore, the company does not have to file on April 1, 1999, nor does it need to file on September 1, 1999. This company would be required to continue making payments into the fund for January, February, and March. This procedure is based on the fact that the USF obligation is a current liability borne only by companies that are currently providing interstate telecommunications services.

Companies in Bankruptcy:

- 1) Determination of what invoices fall under pre- and post-petition: Because an entire quarter's liability is incurred on the first day of the quarter, and because each monthly invoice represents one-third of that quarter's liability, USAC cannot collect any invoices for the entire quarter (even though the last third of a bankrupt company's quarterly contribution may not be sent in the form of an invoice until mid-March).

Example: A company filed for bankruptcy on 2/1/99. All open invoices prior to and including March 1999 must be taken off current invoicing, and be reported on the Proof of Claim filed with the appropriate bankruptcy court.

Reporting of revenue that was generated pre-petition: A company filing Chapter 11 on 2/1/99 is still responsible for completing the Form 499 Telecommunications Reporting Worksheet due on April 1, 1999, (reporting January 1 through December 31, 1998, revenue) and September 1, 1999, (reporting January 1 through June 30, 1999, data), even though the revenue was generated prior to the Chapter 11 petition date.

Question Presented: What if a company insists that because all of the revenue on the April 1 form was revenue generated prior to its bankruptcy petition date, any liabilities incurred because of that revenue is also protected?

Answer: FCC rules state that in order to calculate current universal service liability, a firm must calculate a rate against prior period revenue. The FCC could have also required a firm to calculate a rate against estimated future revenue, against their number of employees, or against their number of minutes of service, etc. The key is that it is considered a current liability regardless of how the liability is calculated. In addition, in its 10/6/99 Memorandum Opinion & Order & 17th Order on Reconsideration, the FCC reiterated the use of prior period revenues to calculate current obligation.

- 2) The USF obligation is not a tax; therefore, universal service obligations cannot be treated as a non-dischargeable tax liability in the bankruptcy proceeding.

Sale of Customer Base Asset (does not involve a Bankruptcy):

- 1) The date of sale listed on the Asset Purchase Agreement or similar document is the key date when completing the following procedures; **not** the date the purchaser starts using the assets or the date the FCC approves the sale.

Example: Company A only sells a portion of its customer base (Customer Base) on 2/15/99 to Company B, and is still in operation. Company A is responsible for reporting Sold Customer Base revenue for the period January 1 – December 31, 1998, on the April 1 worksheet. Company A must also report Sold Customer Base revenue for January 1 through February 15, 1999 on the September 1 worksheet. Company B must report Sold Customer Base revenue for February 15 through June 30, 1999, on the September 1, 1999, worksheet.

It is encouraged that Company A (selling party) review the Asset Purchase Agreement to insure that the agreement reflects the continued universal service obligation (until June 2000) of Company A for assets that Company B (purchasing party) is receiving, and include an estimate of the obligation. It is the responsibility of the seller to include this in the sale agreement. Company A must not pro-rate invoices.

Example: Company A sells its entire Customer Base to Company B on 2/15/99. Company A is dissolved on 2/15/99. Company A is responsible for paying contributions through the end of 1Q99 (January, February, March 1999). Company B must pay April through June 1999 invoices. Company B is responsible for reporting the customer base revenue for January 1 through December 31, 1998, on its April 1, 1999, worksheet (even though the revenue was generated by the customer base while owned by Company A). For calculating Company B's July through December 1999 invoices, we will take the April 1999 form filed by Company B and subtract the September 1998 filings for both Company A and E.

Sale of Customer Base Asset (Bankruptcy involved):

- 1) Company A in Bankruptcy (filed prior to 1Q99) sells entire customer base to Company B on 2/15/99. Company A must complete paying post-petition invoices until the end of that quarter (January, February, March 1999). Company A does not have any future obligation, unless it pursues more customers and generate new revenue. They must report the new revenue from the new customers on the next applicable worksheet. Company B does not have to report any revenue, or pay any obligations as a result of the purchased assets, until September 1999. On the September form, Company B will report revenue generated 2/15/99 – 6/30/99.

- 2) Company A in Bankruptcy (filed prior to 1Q99) sell to Company B on 2/15/99. Company A must pay post-petition interest and is responsible for reporting January 1 – February 15, 1999, invoices on its September 1999 form. Company B must report February 15 forward revenue on its worksheet. Because Company B will not have an obligation from revenue generated by the customer base purchased by Company A in bankruptcy, there is no need to include a continued obligation in the sale price.

Executive Session

- i13. Corporate and Financial Issues.** USAC has been notified informally by FCC staff that the FCC is considering categorizing the Universal Service Fund as "federal funds" for accounting and financial reporting purposes. The FCC and USAC staff are working together to determine the ramifications of such a change. USAC has communicated its need to the FCC for formal written direction from the FCC prior to making significant operational changes. Ms. Parrino will keep the Board members informed as developments warrant.

Contract and Request for Proposals (RFP) Review. Mr. Barash reported that the RFP process for programmatic support services for the Schools and Libraries and the Rural Health Care Programs is on schedule and going well. USAC anticipates receiving bids from several firms and has established an internal evaluation team to consider the proposals.

Action Items (Continued)

- a2. Annual Election of Officers, Officers' Terms, Election of Committee Chairs and Vice-Chairs, and Restructuring of the Executive Committee.** Ms. Parrino summarized the

resolutions as recommended by the Nominating Committee.

On a motion duly made and seconded, the Board unanimously (*except as noted*) adopted the following resolutions:

RESOLVED, That the USAC Board of Directors accepts the recommendations of the USAC Nominating Committee that: (1) in addition to the annual election of officers, all Committee chairs and vice- chairs shall also be elected annually; (2) the first election for Committee chairs and vice-chairs shall occur at the election of officers at the January 2001 Board of Directors meeting; (3) there shall be no term limits imposed on officer and Committee chair and vice-chair positions; and (4) there shall be no automatic succession of positions; and,

RESOLVED FURTHER, That the USAC Board of Directors accepts the recommendations of the USAC Nominating Committee to elect Mr. Frank Gumper as Chair of the Board of Directors; Dr. Henry Marockie as Vice-chair, Mr. Ed Eichler as Secretary, and Mr. Wayne Rehberger as Treasurer for the term of one year that shall begin at the conclusion of the January 2000 Board meeting and that shall conclude at the close of the January 2001 Board meeting; and,

RESOLVED FURTHER, That the USAC Board of Directors elects Ms. Cheryl L. Parrino as CEO of the Universal Service Administrative Company for the term of one year that shall begin at the conclusion of January 2000 Board meeting and that shall conclude at the close of the January 2001 Board meeting (*Ms. Parrino abstained.*); and,

RESOLVED FURTHER, That the USAC Board of Directors elects Mr. D. Scott Barash as Assistant Secretary and Mr. Robert Haga as Assistant Treasurer of USAC for the term of one year that shall begin at the conclusion of the January 2000 Board meeting and that shall conclude at the close of the January 2001 Board meeting; and

RESOLVED FURTHER, That the USAC Board of Directors accepts the recommendation of the USAC Nominating Committee to restructure the Executive Committee, and that, effective at the conclusion of the January 2000 Board meeting, the Executive Committee of the USAC Board of Directors shall consist of the following nine members: the Chair of the High Cost and Low Income Committee, the Chair of the Rural Health Care Committee, the Chair of the Schools and Libraries Committee, the Chair of the USAC Board, the Vice-Chair of the USAC Board, the Secretary of the USAC Board, the Treasurer of the USAC Board, the most recent past Chair of the USAC Board, and the Chief Executive Officer of USAC; and,

RESOLVED FURTHER, That the USAC Board of Directors appoints to the Executive Committee, effective at the conclusion of the January 2000 Board meeting, the following members of the USAC Board of Directors: the Chair of the High Cost and Low Income Committee, the Chair of the Rural

Health Care Committee, the Chair of the Schools and Libraries Committee, the Chair of the USAC Board, the Vice-Chair of the USAC Board, the Secretary of the USAC Board, the Treasurer of the USAC Board, the most recent past Chair of the USAC Board, and the Chief Executive Officer of USAC.

The Board expressed concern that nine members on the Executive Committee is more than is customary for such a committee and DIRECTED the members to monitor the meetings throughout the upcoming year for any problems due to such a large group and to recommend any changes in membership to the Board if the Committee feels such an action is warranted.

Ms. Parrino clarified for the Board that Committee Chairs and Vice-Chairs are elected by the full Board but at the recommendation of each respective Committee. In the past, the Board has not rejected any recommendations from the Committees for Committee Chairs and Vice-Chairs.

On behalf of the whole Board, Mr. Gumper thanked Ms. Rosenblum for her service as Chair on the Board. He announced that since he will be taking over the Chair of the Board position, he intends to step down as a member of the Schools and Libraries Committee. Ms. Rosenblum stated that the appointment of a new member to the Schools and Libraries Committee to replace Mr. Gumper would take place under the Miscellaneous Action Item of the meeting. Ms. Parrino informed the Board that Mr. Gumper represented service providers on the Schools and Libraries Committee.

- a3. Approval of an Uncollectible Write-off Policy.** Ms. Parrino reported that the Executive Committee is recommending to the Board to adopt a policy establishing how to handle uncollectible contributions. USAC staff cannot and does not recommend writing off uncollectible amounts; only the FCC has the authority to waive or otherwise modify a carrier's contribution requirement.

On a motion duly made and seconded, the Board unanimously adopted the following resolution: **RESOLVED**, That the USAC Board of Directors accepts the recommendation of the USAC Executive Committee to direct staff to establish an accounting reserve against uncollectible accounts receivable in conformity with generally accepted accounting principles and to direct staff to continue the current practice of stating accounts receivable balances from all companies regardless of collectibility in the accounts receivable aging analysis.

- a4. Approval of Reporting Requirements for Companies Involved in the Transfer and/or Sale of Assets.** Mr. Haga explained that USAC has followed the policies set forth in the issue paper; staff is now requesting formal Board approval of the procedures. The Board DIRECTED staff to clearly state in the procedures that parties to a sale of assets may negotiate arrangements to handle the reporting of revenue with respect to those assets and that USAC would honor specific obligations when provided with documentation which obligates one party

to report the revenues associated with the assets for Universal Service purposes.

On a motion duly made and seconded, the Board unanimously adopted the following resolution:

RESOLVED, That the USAC Board of Directors accepts the recommendation of the USAC Executive Committee to direct staff to implement the foregoing Procedures for the Required Filing and Follow-up of Contribution Reports for Companies involved in the Transfer and/or Sale of Assets as presented, *and* directs staff to apply the stated procedures and provide follow-up on reporting companies as noted.

- a5. Modification of USAC Investment Strategy.** Ms. Parrino informed the Board that the FCC has requested USAC to move its investments into federal government-issued securities. Board members questioned the authority of the FCC to make such a request in light of the fact that such a change could potentially decrease the returns on the investments. The following resolution was duly made and seconded, but no action was taken on the motion: Resolved, that the USAC Board of Directors accepts the recommendation of the Executive Committee to retain the existing USAC investment guidelines and adopt the investment strategy presented by the staff herein until such time as circumstances require or allow a change in this investment approach.

The Board discussed the actions staff had taken, consistent with current investment guidelines, and determined additional information should be provided to the Board and that the Executive Committee should take action soon to adopt or reject the revised investment strategy. On a motion duly made and seconded, the Board unanimously adopted the following resolution:

RESOLVED, That the USAC Board of Directors directs staff to retain the USAC investment guidelines that have been in place since January 3, 2000, until such time as the CEO is able to clarify with the FCC which entity has the proper authority to make changes to USAC's investment strategy, and directs the CEO to report the findings to the Executive Committee for further review.

The Board DIRECTED staff to produce a document detailing the pros and cons of the current strategy versus the strategy proposed by the FCC and to send a copy to each member.

- a6. Approval of a Statement of Ethical Conduct for Members of the USAC Board of Directors.** Mr. Barash explained to the Board that the Executive Committee, upon review of the Statement as presented to them by the Nominating Committee at its recent quarterly meeting, noted that the document did not indicate to whom a Board member should report to if a conflict should occur or for advice on whether a known upcoming situation may constitute an ethical conflict. Therefore, the Executive Committee passed a resolution adding this information to the document. Mr. Barash distributed a copy of the revised document to the Board and
